

Refuting allegations of forgery allegations Star Xu

Over QQ, former employee sends OKCoin accountant v7 and v8 on December 16th, 2014 for printing OKCoin accountant scans the signed document and sends it back to former employee on December 17th, 2014

Version 8 was created December 16, 2014. However, Mr. Ver has indicated the document was created at a later date and its creation date was forged by Star Xu.

OKCoin holds the original signed hardcopy from December 2014. The image is shared within this Dropbox.

OKCoin will reward US\$20,000 to anyone with authentication skills confirming that the digital and hardcopy of v8 are genuine and created in December 2014 by our former employee.
